Tokenomics

ICPSwap Token (ICS)

Total: 1 billion

ICS is an ecological token of ICPSwap as well as a governance token. With ICPSwap's flexible, diverse, and business incentive mining applications and governance scenarios, each ICS embeds itself in the entire ICPSwap ecosystem. ICS will eventually capture the value of the ICPSwap ecosystem by creating a perfect deflationary model through continuous repurchase and burn.

Tentative Token Allocation

- Seed-round Fundraising
- Private Sale
- Team and Advisors
- Platform Business Incentives
- Strategic Fundraising
- Public Sale
- ICPSwap Foundation
